

VARIO M7 Trailer / STAGE SX

The VARIO M7 trailer complements the VARIO STAGE SX desk to create a space-efficient angled workstation with personal storage space.

The M7 trailer takes up the second leg of the desk, thus reducing the storage space and providing visual peace. The storage space functions as a spacer and secures the prescribed user space. The optional fabric back panel gives VARIO M7 a homely character; the fabric collections LUCIA, BLAZER LITE and SYNERGY 170 are used here.

In open space, different structures can be formed with the flexible combination of table and trailer: Block positions, linear arrangements or individual group workstations.
