

VARIO VERSA H CoffeeCaddy

The VARIO VERSA H coffee caddy makes guest service mobile: it can be used in all office areas such as meetings, hospitality, central zones, open spaces...

Thanks to the steerable castors, the compact caddy can be moved quickly and flexibly during a meeting or presentation. It is equipped with a refrigerator (capacity 19 litres), two spacious drawers for glasses and cups, as well as a side pull-out for 2 waste bins and storage space for drinks bottles. A hinged door at the rear provides convenient access to the electrical supply cable. The power cable for a coffee machine is routed through a stainless steel cable outlet in the top shelf.
