

VARIO CONCLUSION

VARIO CONCLUSION double lounge offers a room-in-room solution that provides a high degree of security and screening.

Concentrated work, discreet conversations or undisturbed retreats are often not easy to realize in open room structures - especially in the middle zone. As a temporary workplace with a high degree of privacy, the double lounge is predestined for co-working offices and open spaces - or for protected meetings in small groups. The flexible cubes with table and electrification meet the demands of a modern office culture.
