

VARIO ICON lectern

Lectern or temporary workstation - telephoning or working while standing - that's what the ICON desk is made for.

The VARIO ICON desk is designed for those who appreciate a quick change between sitting and standing when working or who simply need a little movement in between. With a legroom panel and an additional shelf, it is also suitable as a lectern. For increased comfort when standing, there is a footrest.

Table heights

front 1185 mm

rear 1055 mm

Table top inclination 15°, with aluminium stop bar

Table top thicknesses

25 mm

Table top dimensions

Width 800 mm

Depth 500 mm
