

VARIO BAG

Anyone who changes their workplace every day will find VARIO BAG a loyal companion.

VARIO BAG, made of light PET felt, can hold up to 2 file folders. The BAG can be safely stored in a lockable locker when you leave your workplace. With an adapter, the personal FOPH can be hung in a user-friendly manner directly under the tabletop of all table systems (with fixed table top, 19-25 mm). The adapter can also be mounted in cupboards or shelves under shelves, thus providing internal partitioning.
