

# VARIO COVER counter height desk

VARIO COVER is a manoeuvrable high table with a personal pocket compartment.

The individual modules are easy to move on smooth-running castors and so very flexible working situations can be created. The simple and restrained design is available in the variants sitting/standing table, standing table and armchair. All are always based on the same 3-sided enclosure. The COVER standing table can be a temporary workplace - there is storage space under the work surface for personal items such as a bag, rucksack or jacket. The COVER standing table can also be used very well as a lectern or for seminars, a stainless steel footrest makes the standing workstation comfortable.

## **Dimensions**

width 900 mm  
depth 700 mm  
height 1300 mm

Design: Prof. Klaus Michel (2022)
